

# EDITORIAL PROGRAMME 2025

Articles relevant to our profession on topics not listed above may be submitted at any time. They need not be associated with the regional focus. The first step is to send us an abstract of a proposed paper. Submission guidelines are on our website: [www.hydropower-dams.com](http://www.hydropower-dams.com)

## Issue One

### Regional focus: East Europe and Central Asia

- Building information modelling (BIM)
- Multipurpose dams
- Project finance and structuring
- Floating solar PV
- Grid stability and connectivity

Advertising deadline: 24 January 2025

Press date: 3 February 2025

Publication date: 10 February 2025

## Issue Two

### ICOLD 2025 Special issue - Regional focus: East Asia

- Hydropower and dams in China
- Dam safety
- RCC and innovative dam materials
- Francis turbine technology
- Automation in dam construction
- Sedimentation
- Pumped storage

Advertising deadline: 27 March 2025

Press date: 3 April 2025

Publication date: 10 April 2025

## Issue Three

### Regional focus: Africa

- Embankment dams
- Small/micro hydro and rural electrification
- Sustainable development
- Climate change and extreme climates
- Hydro plant operation and maintenance
- Flood management

Advertising deadline: 30 May 2025

Press date: 5 June 2025

Publication date: 12 June 2025

## Issue Four

### Regional focus: North America

- Upgrading and refurbishment
- Software systems and cyber security

- Fish protection
- Kaplan turbine technology
- Physical and numerical modelling

Advertising deadline: 15 July 2025

Press date: 22 July 2025

Publication date: 29 July 2025

## WORLD ATLAS OF HYDROPOWER & DAMS 2025

- Comments from leading figures in the profession
- Statistical tables to show trends in hydro and pumped-storage development, and large dam construction
- World survey: fully researched and updated country reports

Advertising deadline: 29 August 2025

Press date: 5 September 2025

Publication date: 12 September 2025

## Issue Five

### HYDRO 2025 Special issue - Regional Focus: Southern Europe

- HYDRO 2025 Preview
- Dams, hydro and pumped storage in southern Europe
- Powerplant safety
- CFRDs
- Environmental and social aspects management
- Hydromechanical equipment

Advertising deadline: 23 September 2025

Press date: 30 September 2025

Publication date: 7 October 2025

## Issue Six

### Regional Focus: Latin America

- Gates and valves
- Spillway design and discharge
- Electrical engineering
- Project design and planning
- Tunnels and tunnelling
- Challenging sites

Advertising deadline: 22 November 2025

Press date: 27 November 2025

Publication date: 4 December 2025

## Special publications (Maps):

**Hydro, Pumped Storage & Dams in Europe 2025:** Distribution with *H&D* Issue 5 and at HYDRO 2025 Sponsor box deadline: 15 July

**World Map of Hydropower & Dams 2025:** Distribution with the *World Atlas* and at HYDRO 2025 Sponsor box deadline: 29 August
