

# 28<sup>TH</sup> ICOLD CONGRESS & 93<sup>RD</sup> ANNUAL MEETING

## CHENGDU 16<sup>TH</sup>-23<sup>RD</sup> MAY 2025

The 28<sup>th</sup> ICOLD Congress & 93<sup>rd</sup> Annual Meeting will be held on 16<sup>th</sup>-23<sup>rd</sup> May 2025 in Chengdu, China. We would like to extend a warm welcome to all colleagues from various countries to Chengdu.

Every ICOLD congress, held every 3 years is a highly anticipated global academic event in the field of international hydropower and dam society, with more than 2000 participants from about 70 countries. If you are involved in any aspect of hydropower and dam development, whether owning and operating a plant, planning or designing, researching, financing, constructing, teaching or learning, we welcome you to Chengdu to join this event.

Now the online submission systems of submitting full papers, booking exhibition booths and registering for the Congress are open. The detailed information can be found at [www.icold-cigb2025.com](http://www.icold-cigb2025.com).
